Litmos
Change Management & Learning Strategy

We're proud to work with +750 customers across the Benelux!

Just like our own people, each of our customers is unique and has different needs. We are proud to be able to make a difference for companies from all possible industries.

Our core values

We care

"Amista" refers to "friendship" or "bringing people together". Collaboration is at the top of our list. We build long-term relationships and are a caring lifetime partner.

We innovate

Whenever there's a new development in the SAP or tech landscape, we can't wait to explore and test it out. For us, continuous learning is of prime importance.

We deliver

We are transparent towards our customers and partners. We always come up with a solution that delivers the best business results and are honest about what is feasible.

Ready for your next step in business innovation?
